LCM is a professional cleaning company with presence in Germany and the Netherlands.

With a total of more than work objects and employees, we offer diverse job opportunities and are looking for our employees who want to advance their careers together with us.

We would like to further expand the diversity of our company and provide appropriate professional support for people with disabilities. We believe that inclusion and diversity have a positive impact on our company. We are committed to equal opportunities and diversity and look forward to receiving your application – regardless of your gender, nationality, ethnic and social origin, religion/belief, disability, age and sexual orientation or identity.
