Concrete Repair Laborer – Earn up to \$28/Hour

[Apply Now](#)

Company: STRUCTURAL TECHNOLOGIES

Location: Netherlands

Category: other-general

STRUCTURAL TECHNOLOGIES is the exclusive licensee of VSL® post-tensioning systems in the United States. STRUCTURAL TECHNOLOGIES is the single source for VSL® products and technical support in the US - which have been used throughout the world since 1956 to build, repair and strengthen bridges, buildings, tanks, and special structures.

This position is a full-time travel position. Applicants should expect to be out of town up to 100% of the time, with weekends home at least once a month. Our home office is in Manassas, VA where occasional meetings will take place. Our work area includes the northeast US from North Carolina to Maine in the east and Tennessee to Michigan to the west, with occasional opportunities outside of that territory.

This position is not suitable for applicants with only welding experience. There are no welding duties in this position.

Specific job responsibilities will include: Working alongside a Foreman/Superintendent to execute daily tasks
General concrete repair (demolition, rebar installation, carpentry, concrete pours, finishing)
Operating power-tools (i.e rotary hammers, chipping hammers, hammer drills, etc.).
Post-tension repair
Rebar/post-tension installation and stressing
Independently traveling between projects.

The ideal candidate will be / have:

Focused on safety in all situations and environments.

Comfortable with the use of standard PPE at construction sites.

Team and solution oriented, with a proactive, professional, positive attitude.

Experienced construction field technicians / laborers

Advantageous if familiar with concrete repair, formwork and finishing, grouting, and placement/tying of rebar.

Advantageous if familiar with the installation and/or stressing of post tensioning systems

Familiarity with new construction and existing buildings

Comfort with working at heights

The ability to read and speak English.

The ability to lift material up to 50lbs

Good hand-eye coordination & capable of standing for extended periods of time.

Motivated to work more than 40 hours per week.

Desire to grow and advance within the company with commensurate salary growth

Prior experience in post tensioning is ideal but not required. An ideal candidate is hardworking, reliable, and ready to learn at a fast pace.

Candidates who are bilingual in Spanish / English may be given preference.

Candidates who are union ironworkers/rodbusters with ability to work union or open-shop projects may be given preference.

Our company offers a tremendous career opportunity to an energetic, enthusiastic team player who thrives in a dynamic, fast-paced, positive work environment. Opportunities to move into leadership positions quickly are available. This opportunity offers a highly progressive, innovative, and challenging environment in which to champion your skills. Must provide own transportation, a Valid Driver's License, and pass DMV record screening. Pre-employment drug screen is required. Excellent compensation and benefits package.

EOE/M/F/D/V
