

## Contracts/Legal Counsel

[Apply Now](#)

Company: 株式会社村田製作所

Location: Netherlands

Category: other-general

### Join the Innovators in Electronics!

Murata's technologies, products and solutions are used everywhere, contributing to a safer, healthier and more efficiently connected world.

As a global high tech house we are challenging ourselves every day to develop electronics solutions enabling innovations and shaping the future.

Whether you are an experienced professional or a new graduate, you will find great opportunities to contribute, learn, and develop alongside a talented, diverse global team.

### Job Purpose

Co-ordinate and/or review customer contracts, contract proposals and other legal documents, avoid or minimise risk, potential liability and (potential) claims, and ensure compliance with local and European laws and relevant Murata Policies.

### Responsibilities and Tasks

Responsibilities:

- Ensure proper evaluation and coordination of customer contracts and other legal documents related to customers
- Ensure compliance of customer contracts and other documents with local and European laws
- Provide legal advice to Sales and Management, upon request or pro-actively

Tasks:

- Check and coordinate customer contracts
- Negotiate the contents of contracts with customers and internally within Murata
- Advise Sales and Management on the contents and implementation of customer contracts
- Advise and support Management in case of disputes, claims or other 'legal issues'
- Coordinate for MEE changes in policy and other issues related to 'Legal Affairs' within the Murata Group

### **Required Knowledge/Experience**

- University degree in Business Law, Economics or comparable field of study and/or professional legal qualification
- Profound legal knowledge
- Good English skills in speaking and writing and very good local language skills, if required
- Good communication skills
- Good skills in standard software (MS Office)

### **What we have to offer you:**

Possibility to work 40% of your time remotely

Stable work environment, with focus on personal and professional development

Work together with highly skilled and experienced professionals

Well structured and personalized onboarding program

Being part of a global leader that contributes to the advancement of society

Possibility to participate in our Corporate Social Responsibility activities

Positive work atmosphere and an open door mentality

Frequent company events arranged by our Social Club
