## Global Finance Operations Director

As we are expanding our horizon and growing rapidly, we are looking for a true people manager in our Nijmegen headquarters to guide our finance teams towards a more professional, well-organized department.

### Responsibilities

Building and maintaining high-performing global teams: directly managing 3 team managers and a functional expert, and indirectly managing a global staff of around 40 people.

Fostering a learning environment where both personal and team growth are supported.

Overseeing the preparation and finalization of the organization's global administrative monthly, quarterly and annual operations from C2C and P2P administration to F&A actuals reporting.

Working closely with cross-functional teams within finance and beyond, to ensure seamless coordination of the activities and improvements.

Implementing and managing financial controls and accounting procedures to safeguard the organization's assets and ensure the accuracy of its financial statements.

Ensuring compliancy, and application of finance policies and procedures throughout the Planon Group.

Leading the development and execution of operational strategies to optimize efficiency and

productivity across the organization.

Managing the organization's risk profile by identifying potential risks and implementing mitigation strategies to protect against financial loss and operational disruptions.

Spearheading the integration of technology and information systems to enhance data-driven decision-making and operational effectiveness, working effectively together with IM, IT and the rest of the organization to implement improvements.

### **Profile**

A company is nothing without its people. Our diverse group of employees are the beating heart of our business and the key to our collective success. To maintain our success, we need you to be entrepreneurial, people oriented, organized and a team-player.

### **Our ideal candidate ticks the following boxes:**

You have a Bachelor's or Master's Degree in Business Administration, Finance, Accounting, or a related field;

You have more than 8 years of financial experience in a relevant position and a proven track record as a manager of a similar sized team;

Besides being a people manager, you are able to optimize work processes;

You have experience and a background in Dutch Gaap and preferably in IFRS as well;

You have excellent speaking and writing skills in English and Dutch;

You have experience in an international environment.

### **We offer**

A healthy work-life balance and the possibility of working hybrid. We encourage a

collaborative and learning work environment, which is why we offer constant learning and meaningful training opportunities. In addition, we offer challenging projects with world-leading clients and extraordinary experiences. For this role we offer a competitive salary and the following benefits package.

Join us on our journey to become the recognized world leader in Smart Sustainable Building Management software solutions. How we do this? By putting our people at the heart of our company and creating an inspiring and safe environment that allows all of us to work, learn, live, and play.

Planon is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to any characteristic protected by applicable law.

**Do you love building connections? So do we!**
