

Maintenance Technician

[Apply Now](#)

Company: Amaris Consulting

Location: Netherlands

Category: computer-and-mathematical

Job description

We are looking for a skilled maintenance technician to ensure the smooth operation of our production units. If you have expertise in Electrical or Mechanical Engineering, along with hands-on experience in control technology, PLCs, and HMIs, we encourage you to apply!

Responsibilities:

Checking and maintaining equipment, replacing parts that may cause issues.

Helping production teams fix complex problems and evaluating them afterwards.

Adjusting and taking care of production machinery.

Finding and fixing issues in mechanical, hydraulic, pneumatic, and electrical parts using drawings and guidelines.

Discussing progress with the Plant Technical Department Manager, Maintenance Technicians, Maintenance Engineers, Operators, GAP Leaders, and Supervisors.

Requirements:

Completed technical school in Electrical Engineering or Mechanical Engineering, or equivalent.

Knowledge of control technology, PLCs, and HMIs.

Willing to work in a 3-shift schedule.

At least 3 years of similar experience in an industrial setting is a plus.

Understanding of mechanical, pneumatic, and hydraulic systems.

Interest in robot installations, welding, and metal forming is beneficial.

What we offer:

Join our dynamic team of talented people and discover a world full of growth and opportunity. Here's what we offer:

Rapid growth through a personalized career path and salary evaluation. 70% of our senior leaders started in entry-level roles.

A competitive salary and benefits package

Hone your skills through our catalogue of our Technology Academy, the Udemy platform, language lessons, webinars and workshops.

Take control of your training with an annual personal budget and company-paid certifications.

Enjoy flexible policies, remote work options, and great social benefits like transportation, help with relocation for internationals and collective health insurance.

Take advantage of our WeCare program, which provides support to employees in critical situations.

Unleash your full potential, both professionally and personally.

Amaris Consulting prides itself on being an equal opportunity workplace. We are committed to promoting diversity within the workforce and creating an inclusive work environment. To that end, we welcome applications from all qualified candidates, regardless of gender, sexual orientation, race, ethnicity, beliefs, age, marital status, disability, or other characteristics.
