

## Medical Devices Auditor

[Apply Now](#)

Company: BSI Group The Netherlands B.V.

Location: Netherlands

Category: business-and-financial-operations

About BSI BSI (British Standards Institution) is the global business standards company that equips businesses with the necessary solutions to turn standards of best practice into habits of excellence.

Our Medical Devices (or Regulatory Services RS) team ensures patient safety while supporting timely market access for our clients' medical device products globally.

BSI has successfully achieved designation as a Notified Body in The Netherlands and United Kingdom and is an accredited ISO 13485 Certification Body recognised in many global markets.

Auditor Medical Devices (internally known as Client Manager) Location: Netherlands - fieldbased, 70%-75% of travel required within EMEA As a Client Manager in Regulatory Services, you will travel to medical device manufacturers across the Netherlands and EMEA.

You will help these manufacturers to improve their performance by assessing their ISO 13485 quality management system, so they can ensure patient safety and comply with regulatory proced...
