Company: Mars

Location: Veghel

Category: architecture-and-engineering

Job Description

:As a HSE Sr. Analyst, you will ensure that the HSE risk level is under control to avoid any injury for people or any environmental incident. You will also deliver HSE projects to improve on a regular basis the safety and environmental level of the factory in conformity to Mars Standards, and local regulation. **What are we looking for?**

5 years experience in a Health and Safety management role

Ability to work under pressure and work with minimum supervision

What will be your key responsibilities?

Provide advice, instruction, guidance and support on all HSE issues.

Work closely with:

P&O to ensure that the annual training plan reflects HSE issues and that Occupational Health initiatives are fully aligned to P&O strategy.

Local Engineering, Production and Quality Assurance to ensure that all the applicable laws, regulations and standards are taken into account at every stage of each project undertaken.

The Regional HSE Manager

You will develop audit and inspection systems for all areas under HSE and ensures they are carried out

Must keep abreast of all developments within the HSE field

Take the lead in communications with the Health and Safety Executive, Environment Agency and other Regulatory bodies. In addition, you would be the main contact for our insurers and solicitors in relation to Personal Injury claims

You will develop and coach the Safety Representatives and other HSE personnel to achieve the HSE plan.

What can you expect from Mars?

Work with over 130,000 diverse and talented Associates, all guided by the Five Principles.

Join a purpose driven company, where we're striving to build the world we want tomorrow, today.

Best-in-class learning and development support from day one, including access to our in-house Mars University.

An industry competitive salary and benefits package, including company bonus.

Mars is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law. If you need assistance or an accommodation during the application process because of a disability, it is available upon request. The company is pleased to provide such assistance, and no applicant will be penalized as a result of such a request.
